## BLOOD DONATION CAMPAIGN 04.12.2022

Many thanks to all the heroes who donated blood in this campaign to save many lives. A total of 262 people have registered their names for this program and 208 of them are eligible to donate blood within 4 hours. The blood will be donated to Kulim General Hospital with 88 packs, Kepala Batas General Hospital with 66 packs and Penang Adventist Hospital with 54 packs. In this campaign, 20% of registered blood donors are new donors.

According to the data, Penang General Hospital's blood donation center faces shortages throughout the year, and some patients have to wait several months to get blood that suits them. However, not everyone is able and qualified to donate blood. Therefore, if you are able to donate blood (ie those who meet the health standards), please join the ranks of blood donors and we can help to save more lives.

In addition, a total of 40 people have registered as organ donors in this event. This commendable action can save more lives in the future. It is hoped that through this ceremony, public awareness and participation in donating blood and donating organs can be increased!

This Blood Donation Campaign was a joint project organised together with Youth of Ang Si Chong Soo Province Wellesley, Youth of Kang Har Tong Ooi Si Chong Soo Butterworth, Persatuan Cheng Hoe Tong Seberang Perai Youth Section, Kongsi Thye Guan Tong Ong Seberang Perai Youth, Persatuan Tan Si Eng Chuan Tong, Persatuan Soon See Chong Soo Utara Malaysia, North Malaya Cheah Si Chong Soo, Pertubuhan Guang Dong Sheng Pu Ling Xian Lin Sin Yu Xi Xiang Tong Xiang Hui Pulau Pinang, in collaboration with Persatuan Penderma Darah SPU, Persatuan Kesedaran Jenayah Seberang Perai Pulau Pinang, Malaysia Red Crescent Society SPU Branch, Jawatankuasa Belia Pulau Pinang KADUN Bagan Jermal, and with the support of Pusat Khidmat Kadun PYDC, and Clan Association Youth Committee Penang.

In this mega event, there were seven programmes conducted on the day; each for the respective categories in Penang Youth Volunteer which are Environment, Disaster Aid, Charity, Education, First Aid, Arts & Culture, and Sports.

For Environment, we had the plogging program in Balik Pulau. Our youth volunteers came and made the place prettier by cleaning up the rubbish over there so the community may enjoy a much cleaner and happier scenery!

For Disaster Aid, in collaboration with Aquatic Life Support Society and JBPP KADUN Penanti, we organised the Water Safety Awareness dan Familiarisation Workshop at Pusat Belia Penanti. We invited professionals who shared their knowledge and expertise for our youth volunteers to learn about techniques and cautionary steps when in a serious humanitarian mission.

For Charity, our youth volunteers did community service at Batu Maung. There, they visited old folks' homes to brighten up the residents' day while listening and assisting them.

For Education, a workshop on sign language was organised for our volunteers to learn. Our professional tutors taught the basics of Malaysian sign language for the youth volunteers to use when they need to in the future!

For First Aid, in collaboration with the Penang Civil Defence Force, a basic training on first aid techniques and skills was conducted for our volunteers to practice!

For Arts & Culture, in collaboration with Majlis Bandaraya Pulau Pinang, our volunteers did a mural drawing project at Medan Renong Padang Kota Lama. Massive thanks to Amirul Zulhimi for his guidance in this project. Snap some pictures with the murals!

For Sports, we had a football clinic where our youth volunteers get to train directly and improve their football skills!

22.12.2022

Greetings and Salam Sejahtera!

On behalf of the Penang Youth Development Corporation (PYDC), we would like to show our heartiest appreciation to our media partners for giving us coverage for our programmes throughout the year. As 2022 comes to a close, we couldn't go this far without your support!

In conjunction with this year's Winter Solstice Festival, we will also be giving our 2023 calendars to media partners as our gesture of appreciation.

Thank you very much and have a wonderful celebration ahead!

## COURTESY VISIT BY TRANSPARENCY INTERNATIONAL CAMBODIA (TI CAMBODIA)

24.12.2022

The Penang Youth Development Corporation (PYDC) is honoured to have Transparency International Cambodia (TI Cambodia) as a guest for their courtesy visit in Penang!

Throughout the session, PYDC got to meet and greet with the youth participants from TI Cambodia who were very eager to know more about PYDC and we do to develop the youth.

It was a very fruitful discussion and were more than happy to have TI Cambodia together with us. Looking forward to future collaborations!

## JOINT CHRISTMAS DAY CELEBRATION @ PENANG YOUTH SPACE

25.12.2022

The Penang Youth Development Corporation (PYDC), in collaboration with Lions Club of Bagan Jermal and Friends of Childhood Cancer (FOCCAN), organised a Christmas Day celebration here in Penang Youth Space!

We had a blast as we celebrated the holidays with a great movie show, creative games session and Christmas gifts exchange! The best part? Santa Claus came into town!

It was a wonderful day for the children who came as our volunteers lit up the scene during the celebration.

Many thanks to all of our sponsors and volunteers who attended this occasion. YOU made a difference! ♥
